Immigrants' skills 'squandered'

Business, Feb. 9.

Immigration Minister Joe Volpe correctly emphasizes to Canadian business leaders that failure to recognize and value education and work experience from nations such as India damages Canadian competitiveness. In America, Indian immigrants are the driving force behind the stunning success of Silicon Valley and the U.S. technology industry. Indians constitute less than 1 per cent of the U.S. population, yet account for 5 per cent of doctors there.
